GENERAL DESCRIPTION

This data layer contains locational information regarding the distribution of rare or declining native plant and animals and exemplary natural communities in the state.

Due to the sensitive nature of the data, the original spatial data maintained by the Natural Heritage Bureau are generalized/shifted prior to incorporation in the GRANIT database.

The data is updated on a bi-annual basis.

Per agreement with the Natural Heritage Bureau, users requiring access to the data MUST make arrangements with the NH Natural Heritage Bureau, Department of Resources and Economic Development, 172 Pembroke Rd., PO Box 1856, Concord, NH, 03302-1856, Telephone: (603) 271-3623.
